“The B-I-B-L-E: Through the Bible One Book at a Time” is a complete 52-week curriculum resource for churches who desire to see their children grow in Bible literacy. The point of these materials is to deepen children’s understanding of the big picture of the Bible, by walking through the Bible one book at a time. By the end of the year, every student in the group should be able to quote the books of the Bible from memory (using hand motions as prompts if necessary) and tell something about each book of the Bible and how it points to the cross.

The 5 lessons included in this bundle offer a glimpse into the curriculum as you walk your class through **the Pentateuch (the first 5 books of the Bible)**.

These lessons are also perfect to fill in other times in the year when you need review or a stand-alone lesson as each lesson covers one book, so they don't build on each other as many other series do.

Age group: Elementary – K-6/ ages 5-11

“God is Love” is a stand-alone Sunday School Lesson on the love of God displayed through Jesus. This lesson is designed to help kids (and teachers) remember that God is love and that He ultimately showed His love through Jesus’ death in our place. This is the perfect lesson for Valentine’s Day, allowing you to dive deep into the love of God.

Text – John 3:1-21

The main point – Jesus is the Salvation of the world

The key verse for this lesson is John 3:17 –

“For God did not send His Son into the world to condemn the world, but to save the world through Him.”

Age group: Elementary – K-6/ ages 5-11

In this 9-lesson study, children will learn about how the Holy Spirit impacts their lives. Each lesson is packed with activities and ideas to help educators teach the main idea, making it easy to adapt for any teaching situation. Whether you're looking for a curriculum that covers Galatians 5:22-23 or just want a fun way to help kids learn more about the Bible, this study is perfect for you!

Each lesson plan includes extensive teacher notes, learning activities, and printables. It's everything you need to share God's Work with the children in your class. These Bible studies are designed for elementary aged students in a traditional Sunday School classroom. They are flexible enough for homeschool, kids church, or other children's ministry opportunities.

HO HO HO HOSANNA

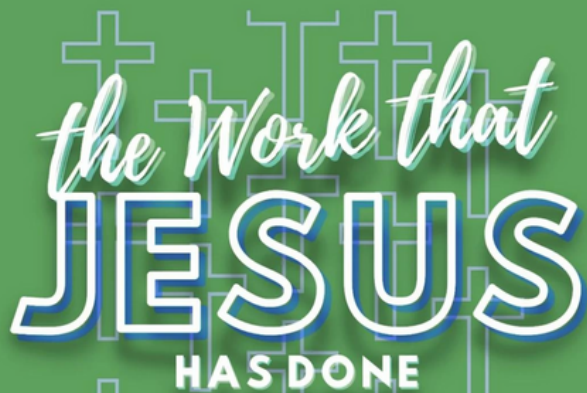

A Sunday School Lesson for Palm Sunday

The Sunday School Store
Bethany Darwin

Age group: Elementary – K-6/ ages 5-11

“Ho Ho Ho Hosanna” is a 1-week stand-alone lesson focusing on the worship of Jesus during His final days on earth – both in being anointed by Mary, and the crowds rejoicing at His entry into Jerusalem. In this lesson, students will see Jesus as the Triumphant and Forever King and will be given the opportunity to worship Him. They will also learn that worship is focusing 100% on God and giving all glory to Him alone. It’s all about Him and not about us.

the Work that **JESUS** **HAS DONE**

6 week Sunday School Curriculum

Age group: Elementary – K-6/ ages 5-11

"Jesus' Resurrection: the Proof that Christ's Death for Sin Worked is an excerpt from the "Big Truths" series entitled "The Work that Jesus Has Done." This series is designed to give kids a bigger picture of the cross and the work that Jesus Christ did on the cross.

The full 6-week series follows this outline:

1. Jesus' Death Showed God's Justice and Mercy – Matthew 26
2. Jesus Paid the Full Penalty for Sin – Matthew 26-27
3. Jesus' Victory Over Satan by His Payment for Sin – Matthew 27
4. Jesus' Resurrection: The Proof that Christ's Death for Sin Worked – Mk 16
5. Jesus is King Over All – Isaiah 9, Philippians 2, Ezekiel 37
6. But is Jesus Really the Only Savior? – various texts

Age group: Elementary – K-6/ ages 5-11

“Honor Your Mom” is a stand-alone Mother’s Day lesson for Sunday School or children’s ministry. In this Bible lesson, children will learn about several Biblical moms, with a focus on the story of Ruth. In the mother’s day lesson they’ll see how Ruth honored God by honoring her mother-in-law, and they’ll see how as the great-grandmother to King David, Ruth became one of the few moms listed in Jesus’ family tree.

Children will also focus on the 5th commandment and talk about what it means to honor their mother, thank God for the gift of moms and make something they can give their mom for Mother’s Day. Most importantly, in this lesson, children will see that God’s children are called to obey Him, and one way we can obey God is by honoring our parents, while also seeing that on our own we cannot obey God. We need Jesus to help us obey and honor our moms!

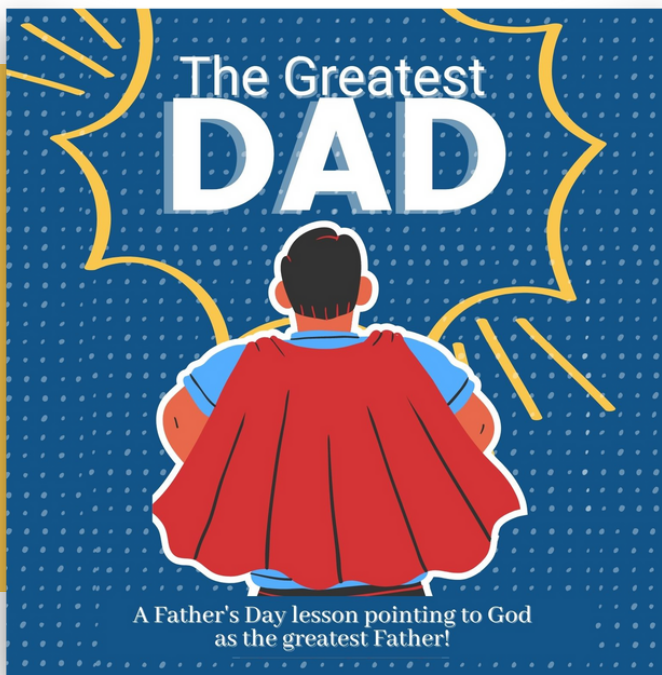

Age group: Elementary – 1-6/ ages 6-12

The book of Psalms is often referred to as the Bible's songbook. In the Psalms we see a full range of emotions from the Psalmists as they worship the LORD through singing, shouting, weeping, rejoicing and more. In "Sing! Shout! Jump!" children will get a bigger picture of who God is and what it means to worship Him. Plus, they'll see how they can worship the LORD in a myriad of ways.

In this first series of "Sing! Shout! Jump!" kids will be introduced to the book of Psalms and look at the first six Psalms.

- Psalm 1 – Walk in His Ways
- Psalm 2 – Run to God
- Psalm 3 – Cry Out to God
- Psalm 4 – Lie Down and Trust God
- Psalm 5 – Ask God to Deliver
- Psalm 6 – Plead for Mercy

Age group: Elementary – 1-6/ ages 6-12

“The Greatest Dad” is a stand-alone Father’s Day lesson. In this lesson, children will see the failure of several Biblical dads, while focusing in on the goodness of God the Father. The main text for the week is the genealogy of Jesus from Luke 3, focusing on the final line, “the son of God,” showing how Jesus is the Son of God, not the son of Joseph. While walking through this genealogy, kids will be reminded of several fathers in the genealogy and what we know about them as fathers from the Bible.

In small groups, kids will get a chance to review what it means that Jesus is the Son of God and how all who follow Jesus can turn to God as their Father. They’ll also have a chance to thank God for their earthly fathers (who hopefully point them to God the Father) and make something they can give to their dads for Father’s Day.

This lesson is designed to be used on Father’s Day Sunday, or during the week before Father’s Day and is perfect for slotting in between other curriculum materials.

Age group: Elementary – 1-6/ ages 6-12

CHRISTIAN COOL explores just how cool it is to be the Christian God is calling us all to be today! Kids grades K-5 can participate in this seven-lesson study at church or at home. Through simple lessons based on Scripture, kids can discover and challenge themselves to live their faith more fully right now.

Each CHRISTIAN COOL lesson starts with the letter C [create, consider, contribute, contentment, courage, compassion, & collaborate] and offers prayer, activity, Scripture discussion questions, and a craft with supply list. Also included is a review sheet for taking home with Scripture verse to contemplate and coloring page. Through using supplies, you likely already have, and the freedom to make the lessons fit your group, kids will discover what it's like to be CHRISTIAN COOL!

Age group: Elementary – K-6/ ages 5-12

The Bible is full of BIG words that can seem really intimidating to kids (and let's face it, to adults to). So, instead of skipping over them, Big Bible Words introduces those words and helps kids to make these words a part of their everyday vocabulary. In these 8 lessons, children will come face to face with words like election, faith, regeneration, conversion, justification, adoption, sanctification, perseverance, and glorification, and will see what all these words have to do with salvation.

Through these lessons, children will grow in their understanding of the work of salvation that Jesus did and see salvation as the gift that it is.

With 60-90 minutes of teaching materials, these lessons are perfect to use for Sunday School, Children's Church, mid-week discipleship times, or even as a pre or post baptism class. The 8-week format makes them perfect for summertime when you may choose to have a break in your regular teaching schedule.

Target Age: Elementary – K-6/ ages 5-12

Kids today are under stress like never before and constant anxiety has become a fact of life. Children need practical help to overcome those feelings while looking to God in times of distress.

That's why we created the "Fidgets of Faith: 6-Week Sunday School Curriculum." Fidgets of Faith is a Sunday School curriculum designed to help children learn how to trust in God while facing anxiety. Based on popular fidget toys, this series of lessons will keep their attention, get them deep into the Bible, and help them personally connect with Jesus Christ.

The theme verse for this series is Psalm 62:1-2, "For God alone my soul waits in silence; from him comes my salvation. He alone is my rock and my salvation my fortress; I shall not be greatly shaken."

Kids will love this fun lesson series. More importantly, they will learn to overcome anxiety by looking to Jesus Christ. That's a lesson that will serve them long after the fidget toys are forgotten.

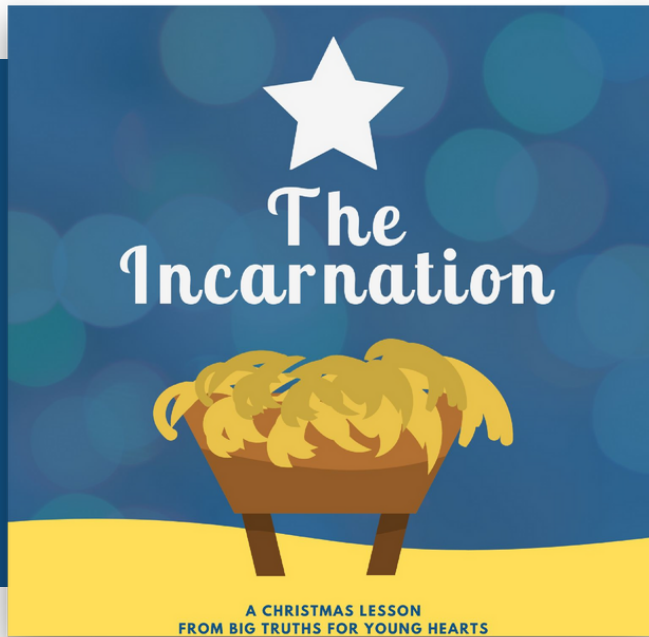

Age group: Elementary – K-6/ ages 5-12

“Give Thanks” is a stand-alone thanksgiving lesson using Psalm 100 as a template for how and why we should give thanks to God. The book of Psalms is often referred to as the Bible’s songbook. In the Psalms we see a full range of emotions from the Psalmists as they worship the LORD through singing, shouting, weeping, rejoicing and more. In this particular Psalm, we see the Psalmist responding to God in song and thanksgiving.

“Give Thanks” is designed to be used in a self-contained class with a wide range of age groups. This is a 'print & teach' lesson, meaning that preparation is easy (just a few photocopies) and additional supplies needed are minimal (probably things you already have in your class).

- Bible Text – Psalm 100
- Theme – Thanksgiving
- Memory Verse – Psalm 100:4
- Time Needed – 45 minutes – 1 hour
- Age Range – K-5th (ages 5-11)

Age group: Elementary – K-6/ ages 5-12

Christmas time can be a very confusing time for children as they try and sort out the truth out of all the messages thrown at them. What is Christmas all about? Is it about the gifts? Is it about Santa? What's the real story of Christmas?

WHAT IS IT?

Breakfast in Bethlehem is designed to be a fun family event that allows kids to experience the story of Christmas as they make their way through a series of booths. You could say that "Breakfast in Bethlehem" is a family Christmas Carnival. With a few simple supplies: a large space (gym, fellowship hall, or outside), and this guide, you're sure to have an event that kids and parents will remember forever.

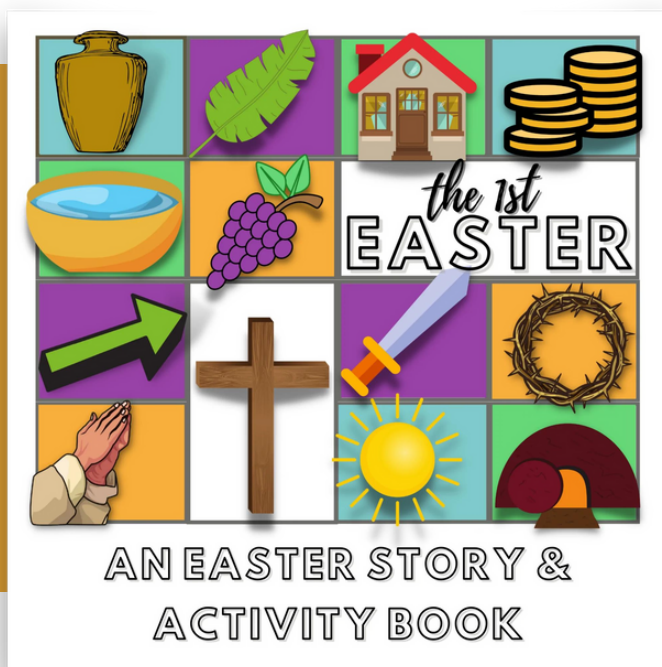

During "Breakfast in Bethlehem," families will make their way through a series of booths (games, crafts, and snacks) and discover the true Christmas story a little bit at a time as they experience each of the activities. Games such as Prophecy Toss will remind kids that Jesus is the promised Messiah, while the Manger Race will remind them that Jesus was born in humble surroundings and placed in a manger instead of a bed. For this event, you need to set aside 2-3 hours to give kids time to play all the games and hear the full story.

Age group: preschool- grade 6/ ages 2-12

A Jesus Birthday Party is a fun way to celebrate Christmas with the children in your church, community or home. With Christmas Eve 2023 falling on a Sunday this year, this would be a fun option for Christmas Eve that will help children of all ages to experience the Christmas story in a new and fun way without watering down the gospel message.

In this 44 page file you'll find ideas for games/ activities, a lyric page for singing 'Happy Birthday Jesus,' printable game files, decorations, and a suggested script for telling the Christmas story. You'll also find tips for decorating for the party, ideas for scaling the party down for small groups or up for large groups and even instructions on how to send home a Jesus Birthday Party so families can celebrate at home instead of at the church.

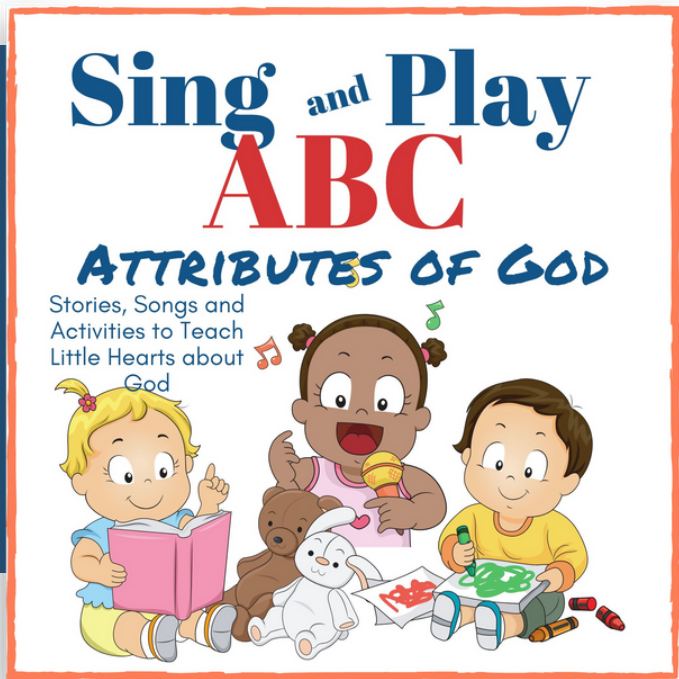

Age group: toddlers - elementary

At Easter, churches tend to do a great job of hitting the highlights of the Easter story (triumphant entry, last supper, crucifixion, and resurrection), but it's hard to find time to really dive deep into the full story. "The 1st Easter: Story in Pictures" is the answer to that dilemma. Churches can use these stories as the basis of lessons for weeks leading up to Easter or can share this resource with their families, encouraging them to use it for family worship for 15 days before Easter. Either way, it's a unique and timely Easter resource that children will treasure year after year.

WHAT YOU GET

- 15 story pages representing Jesus' final days of earthly ministry
- stories are written with word pictures encouraging children to participate in the reading
- bonus activity pages
- both full-color and black/ white versions for ease of use and sharing
- PDF files you can easily print or email and share with families
- permission to print or share with all of the families in your church

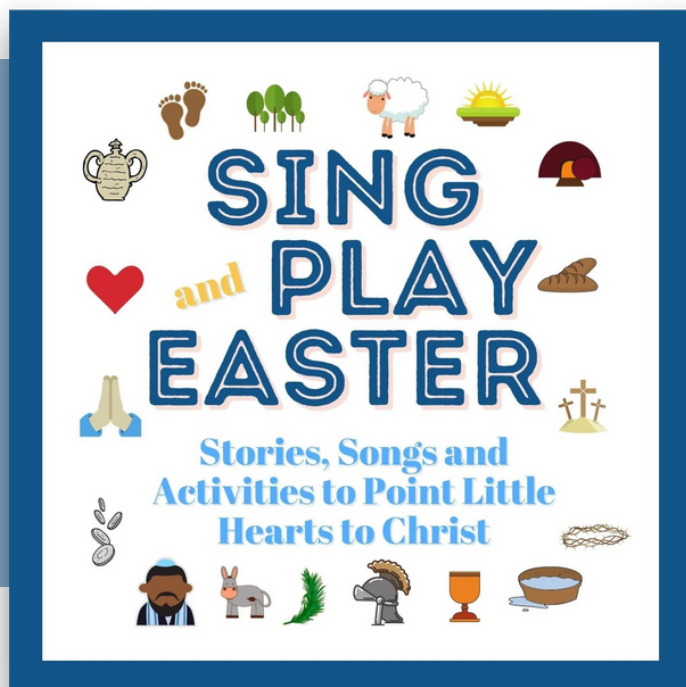

Age group: toddlers and preschool / ages 1-5
